

- ...experience...
- Cyclodlic.** February 2009-present  
*head freelance designer.* London, England.  
Currently working with the London based women's bicycle gear company in London, Cyclodelic to redesign their identity system. Cyclodelic focuses on fun, safe gear for active women.
- YOU Design.** May 2008  
*design intern.* London, England.  
Designing my own packaging for a food packaging firm in central London.
- Ninth Letter.** January 2008-May 2008  
*designer.* University of Illinois.  
Designing stories for featured creative authors as well as creating a video piece highlighting a relevant subject matter for society that can be seen at ninthletter.com.
- BUZZ Magazine.** January 2007-May 2007  
*graphic designer.* University of Illinois at Urbana-Champaign  
Used InDesign for magazine layouts. Also used Illustrator and Photoshop to create cover designs for BUZZ magazine, a weekly student run magazine that reached thousands of people.
- Edelman.** Jun 2007-Aug 2007, Dec 2007-Jan 2008  
*design intern.* Chicago. IL  
Edelman is a world renowned PR firm that has offices around the world. Working alongside a great design team, I worked on different kinds of design from annual reports to identity systems.
- Vis-A-Vis Creative Concepts.** May 2007-August 2007  
*creative intern.* Chicago. IL  
As the only intern at this small design firm, I completed general tasks such as mock-ups and renderings as well as assisting in the conceptualization for a new identity for a children's board game.

I travelled to Corfu for a month to volunteer at a local hostel run by a Greek family.
- YBM ECC English Center.** Oct 2008-Oct 2009  
Seoul, South Korea. English teacher.  
For one year, I had the opportunity to work and live in Seoul, South Korea. I was in charge of teaching 3-12 year olds English in my own classroom. Along with being a leader, I had to tackle the challenges that come along with living in a completely new culture.
