

...experience...

graphic designer. January 2007-May 2007

BUZZ magazine. University of Illinois at Urbana-Champaign
Used InDesign for magazine layouts. Also used Illustrator and Photoshop to create cover designs for BUZZ magazine, a weekly student run magazine that reached thousands of people.

logo design. March 2007

ALSG Inc. shipping company in the Midwest
Collaborating with a fellow designer to create a unique logo that showed the relation of ALSG's use of trucks as well as planes to conduct business in the Midwest.

creative intern. May 2007-August 2007

Vis-A-Vis Creative Concepts. Chicago. IL
As the only intern at this small design firm, I assisted with general tasks such as mock-ups and renderings as well as assisting in the conceptualization for a new identity for a children's board game.

design intern. Jun 2007-Aug 2007, Dec 2007-Jan 2008

Edelman. Chicago. IL
Edelman is a world renowned PR firm that has offices around the world. Working alongside a great design team, I learned a lot about different kinds of design from annual reports to identity systems.

designer, January 2008-May 2008

Ninth Letter. University of Illinois.
Designing stories for featured creative authors as well as creating a video peice highlighting a relavent subject matter for society that can be seen at ninthletter.com.

design intern, May 2008

YOU Design. London, England.
Helping and designing my own packaging for a food packaging firm in central London.

identity design, February 2009-current

Cyclodelic. London, England.
Currently working with the London based women's bicycle gear company in London, Cyclodelic to redesign their identity system. Cyclodelic focuses on fun, safe gear for active women.
